Dear Sir/Madam,

Israeli students who are studying nursing abroad are required to submit documentation verifying their graduation from nursing school.

In order to streamline the process, the Ministry of Health will be requesting documentation from the end of the current academic year (2022), directly from the school. They will be uploaded to the following link.

<https://sfe.health.gov.il/SFE>

In order to add you to the dedicated email inbox, please send the following information of the Dean or Associate Dean, as point of contact at the Dean office-

Once we receive the information, we will send the username and password you will need in order to access the SFE website, via email .

The file name will contain the 9-digit Israeli ID number (XXXXXXXXXX.pdf)
Documents must be signed, scanned, and uploaded as one file on the website.
The documents will all be in English.
